| Lab Sample ID : | Location Name: | Location ID: | Lab Results : |
| OE880845 | TOTAL COLIFORM RULE | TCR | A |

Coliform absent. Sample considered safe.

These sample test results were analyzed by the Missouri State Public Health Laboratory.

Note to Public Water Systems:

Routine samples must be taken from the distribution system. Routine samples collected at the well will be invalidated, possibly resulting in your system receiving a monitoring violation for failure to collect enough valid routine samples.
